EXPERIENCE

Junior web developer & technical writer | since 2023
Worked on various IT projects as part of my studies. The full portfolio is available here: https://iya-kho.github.io/portfolio_cv
A few highlights:

- **Ubos REST API Tutorial:** A comprehensive tutorial on building a REST API using Ubos, a low-code platform. Developed in Oxygen XML using DITA architecture and published with a customized web output template.
- **Tom Troc Books:** A dynamic web application enabling book exchange among users. Featuring a custom messenger, the platform is developed in PHP following the MVC pattern and uses Bootstrap for style and MySQL for data management.

Language teacher & instructional designer| since 2014
Taught French to general audience and governmental clients. Elaborated course programs and created learning materials. Evaluated candidates at international language exams (DELF, TEF). Organisations and platforms I collaborated with:

- Institut français d'Ukraine
- Alliance française de Lviv
- French Embassy in Ukraine
- US Embassy in Ukraine
- Delegation of the European Union to Ukraine
- General consulate of Italy in Paris
- Ukrainian Institute in France
- italki.com
- preply.com

Translator | since 2012
Translated internal documentation, press releases, training materials, films, TV shows. Organisations I collaborated with:

- GfK France (market research institute)
- National Geographic
- UEFA Champions League
- Ukraine to Travel (inbound tour operator)
- Avon Ukraine
- Coca-Cola Ukraine
- Molodist International Film Festival
- Jazz Koktebel Music Festival
- Kommersant Ukraine (business review)
